

IRRESISTIBLE BOATING

evoy

Evoy's mission is to make boating irresistible, thereby accelerating the transition to electric boats and ensuring a significant contribution in reducing global emissions

OUR FIRST DELIVERY: Elida and Elisabeth

4,4 Ton Polarcirkel used in Aquaculture

POWER

Top Speed **40 knots** (with 770 nm cap)

Hurricane Force 400 Hp Inboard

120 kWh Power batteries

CHARGING

150 kW DC Charging – 40 min

44 kW AC Charging – 3 hr

Charged at work

RANGE

Ca. 20 nm range in 25 knots

Ca. 24 hours range in 4 knots

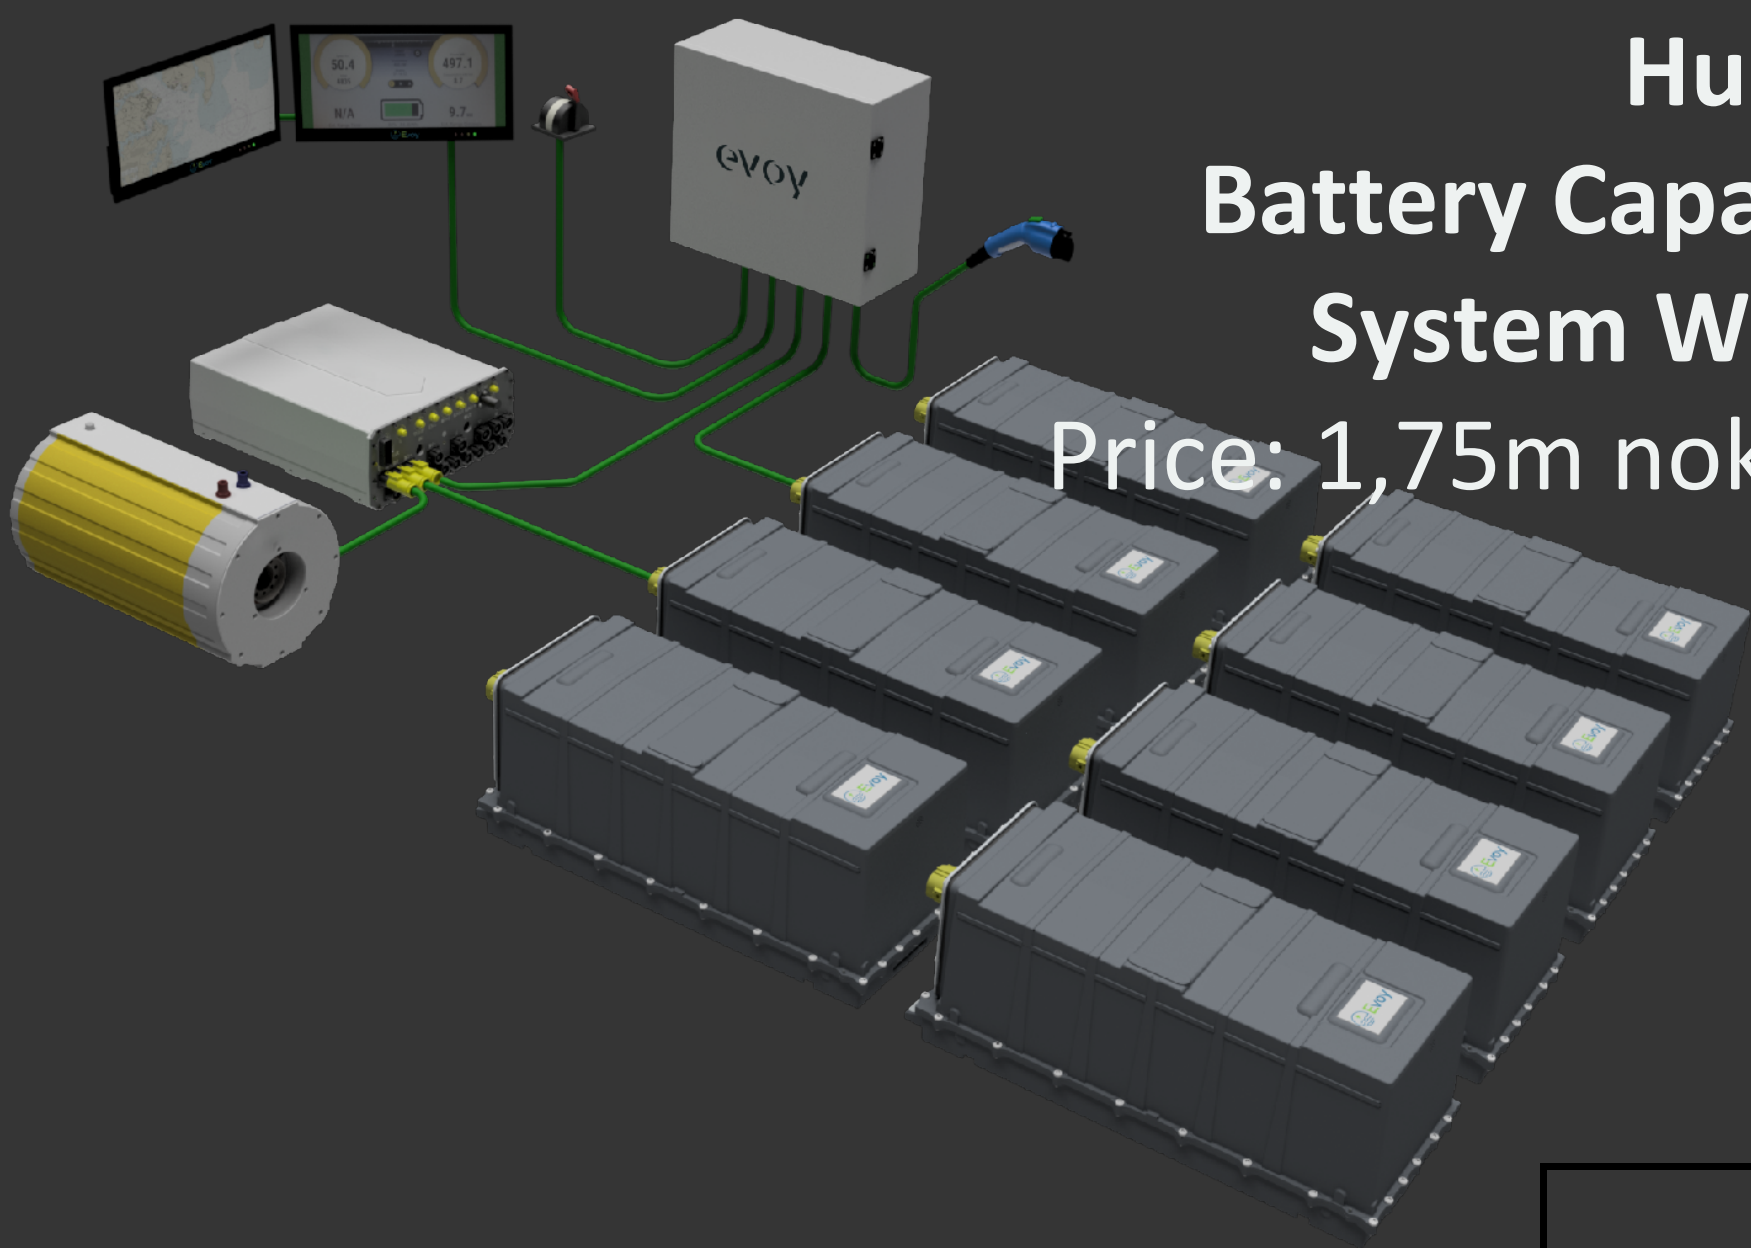

Bravo 3 XR Stern Drive

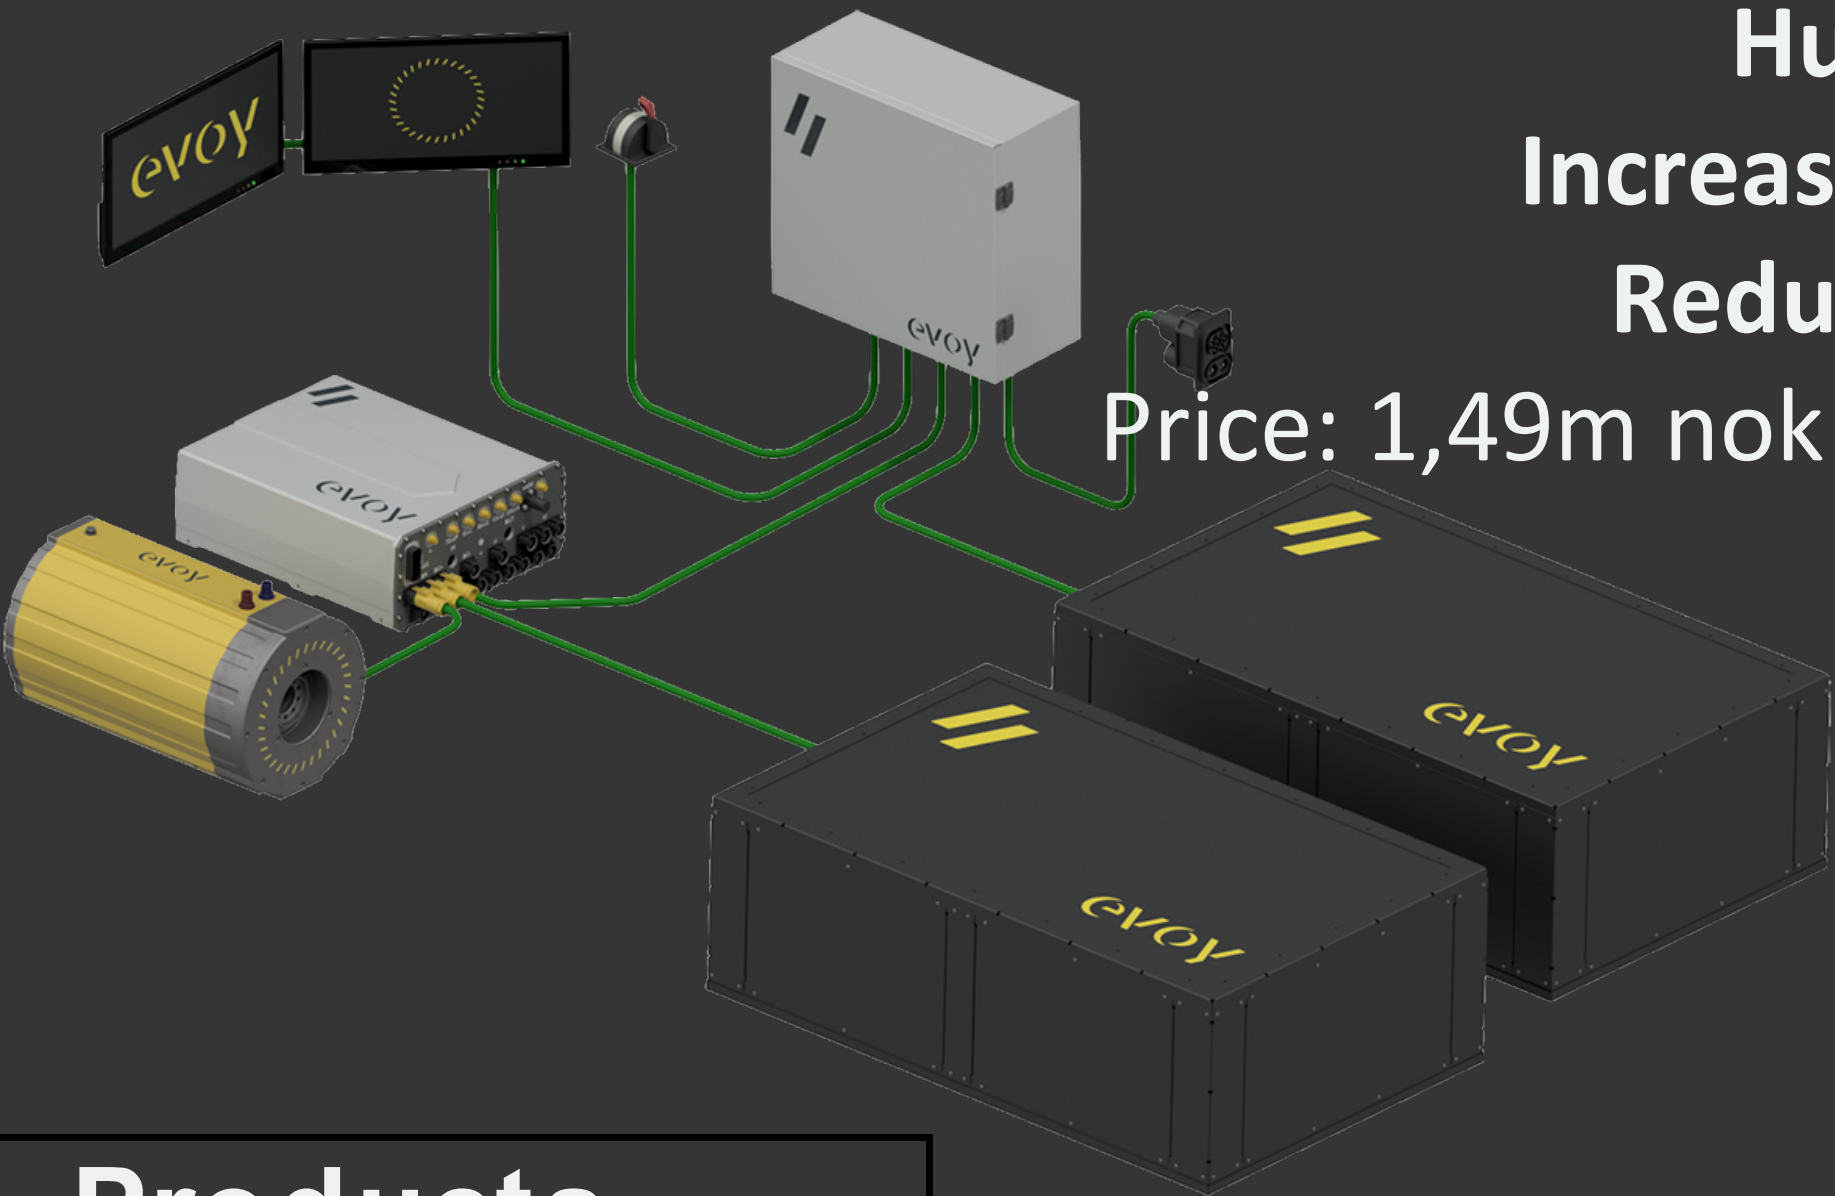

A red and white fishing boat is seen from the side, moving across a blue sea. In the background, there is a rocky coastline with a large, prominent rock formation on the right. The sky is clear and blue.

Success Story - Fish Farmer
100% Electric Boat
Powered by EVOY

EVOY INBOARD

Hurricane 1. Gen
Battery Capacity: 120 kWh
System Weight: 1625 kg
Price: 1,75m nok (Enova 1,1m)

Hurricane 2. Gen
Increased to 126 kWh
Reduced to 1125 kg
Price: 1,49m nok (Enova 0,95m)
